Code of Ethics for anti-plagiarism (Policy)

Definition: "Plagiarism is copying another person's text or ideas and passing the copied material as your own work. ... You must both delineate (i.e., separate and identify) the copied text from your text and give credit to (i.e., cite the source) the source of the copied text to avoid accusations of plagiarism. Plagiarism is considered fraud and has potentially harsh consequences including loss of job, loss of reputation, and the assignation of reduced or failing grade in a course.

For M. Phil and Ph. D. Thesis: Our College is affiliated to Shivaji University Kolhapur. University provides plagiarism check facility. Every M. Phil and Ph. D thesis is verified through it before submission.

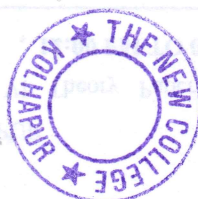

For Research Publication: All faculty members are encouraged to follow and abide the rules of anti-plagiarism policy framed by UGC. To ensure this, the researchers are suggested to use online anti-plagiarism software before submission of their research articles.
